

TOILET CUBICLE SOLUTIONS WITH COMPACT LAMINATE

Citadel is pleased to offer turnkey solutions for Toilet Cubicles and Partitions using water proof, warrantied Compact Laminates.

The cubicles are made using the best quality material, along with SS or nylon accessories and put together by an able team of installers. We are sure you would want to incorporate the use of modular toilets in your project as they are cost effective, trendy and attractive, strong and quick to install.

Compact laminate is a high pressure structural laminate, manufactured from multiple layers of Kraft paper to produce a laminate in thicknesses from 2-25mm. Citadel Toilet Cubicles provide convenience and cost effective solutions in a very short time. Large international projects can be undertaken professionally.
