What is Cita Brick ?

CitaBrickare light weightconcretefacade bricks designed as a superior quality facade product. Cita Bricks are tested for fading, water absorption and fire resistance. The product comes with 15 years of warranty.

How is Cita Brick Fixed ?

Cita Bricks can befixedtoplastered walls using chemical adhesives and grout. Any additional sealer is not required as a top coat.

Are the sizes of all bricks uniform ?

Citabricks will have a variation of +/- 2mm in the dimensions and thickness. This variation lends a natural look to the bricks.

Will a Cita Bricks Facade become black after rains ?

A building which is clad with Cita Bricks will remain fresh as new, year after year.

Is Cita Brick Fire Resistant ?

Yes
